

African Payroll Health-Checks

IS YOUR PAYROLL COMPLAINT?

Say Hello to Health-Checks

In a **Health Check**, we independently **recalculate** the payroll for the tax year of assessment to ensure it is compliant with **all tax and social security laws and regulations**.

The objective is to determine if the **configuration** of the payroll and the **manner in which it is run** is 100% **compliant**.

-  Submit Excel payroll reports
-  Axio rebuilds all calc's
-  Q & A on issue's
-  Findings & compliance score issued with remedial suggestions
